

Your tasks:

1. Enter a new shirt into the app
2. Use that shirt in an outfit
3. Open up the saved outfit from Your Closet

Things to keep:

- Big photo-focused design
- Simple design that is clean and easy to understand generally

Things to change:

- Bigger menus
- Clearer menu (like the hamburger menu)
 - Helps older clients like my parents especially
- More ways to exit out out each aspect
 - Maybe use back arrows?
